Va-Va Ajvar

Ajvar, both hot and mild, is a traditional sprea made from succulent roasted red peppers, eggplant, and spices.
Ajvar is a staple on tables throughout the world, and for good reason. We make a mild, sweeter version, as well as a spicier version, made with the addition of fefferoni peppers.

Healthy Food for a Healthy Lifestyle

Vitalia is one of the original health food companies in all of Europe. They have mastered the development of sugar-free products. Their secret is using fruit fructose instead of cane sugar or artificial sweeteners, which preserve taste, while also providing positive health benefits, with a particular attention paid to children's nutrition.
